Dear Mr. Calabresi:

RE: Telium VSF 320

This is in response to your letter of July 16, 2012 regarding the acceptability of the amended label of the above-mentioned product for use in food processing establishments.

We have now reviewed the final printing of the label and we have concluded that its content appears satisfactory for the use of the product in food plants.

On behalf of the Health Products and Food Branch, our thanks for your cooperation in this matter.

Sincerely,

Khadejeh Ziabasharhagh
